32nd SUNDAY IN ORDINARY TIME YEAR B

INTRODUCTION:

There are many ways in which we can help others. We can give them money of food. We can also give them our time. Some give up their time to teach catechism, others visit the sick or serve on parish councils. Others give their talents to the community by serving in ministries. All who give their time in serving others give something of themselves. They share their love, their faith and their talents. If we want to be like Christ, we have to give ourselves to others. Today we remember how Christ gave himself in the most radical way. He gave all he processes, his life, his love his body and his blood.

GOSPEL: MARK 12: 38 - 44

In the course of his teaching Jesus said to the crowds, "Beware of the scribes, who like to go around in long robes and accept greetings in the marketplaces, seats of honor in synagogues, and places of honor at banquets. They devour the houses of widows and, as a pretext recite lengthy prayers. They will receive a very severe condemnation." He sat down opposite the treasury and observed how the crowd put money into the treasury. Many rich people put in large sums. A poor widow also came and put in two small coins worth a few cents. Calling his disciples to himself, he said to them, "Amen, I say to you, this poor widow put in more than all the other contributors to the treasury. For they have all contributed from their surplus wealth, but she, from her poverty, has contributed all she had, her whole livelihood."
